ANNUAL REPORT (For the year 2019-20)

Friends,

Nari Sewa Samiti has always been on the path of learning about the purpose of education, vocations and counselling in a rapidly changing world, guided by the vision of our founder Late Smt. Mona Chandravati Gupta, Padmashri awardee. The year 2019-2020 was a year of 'Looking Ahead' for all of us :Evolutionary and Visionary, which reflects not only our strong performance, but also, above all, the trends and opportunities of the future in the unprecedented times of Covid-2019. How our world and the future has changed! Recently imposed restrictions on daily life have forced us to quickly adopt to new ways of working, learning and connecting with each other. Whilst this crisis has brought unprecedented challenges both for people and society, we have been humbled by the wave of inspiring new ideas developed in response to the same. Innovation is more important now than ever before. From neighbourly acts of kindness to adopting online modes, the last few weeks and months have shone a light on the power of human creativity and collaboration. Alongside directly supporting, we've been tapping into our networks and harnessing the expertise of our staff to pull together a list of practical ways to make a positive impact during the pandemic.

The Annual Report articulates and demonstrates the dynamic nature of our units, our commitment to excellence and our relentless pursuit of achieving our best. The staffs of our units are reflective and responsive to stakeholders' needs and there is quality commitment at our end. In our educational units we ensure that students graduate with a sense of mastery, autonomy, and purpose, empowered with essential knowledge and skills like critical thinking, creativity, collaboration and communication with a deep focus on our core values.

Reminiscing on one of my favourite quotes- *"What I spent, I had; what I saved, I lost; what I gave, I have- I am indebted to the benevolent donors again."* This year, We received Rs. 3 Lac from EASACT for B.S.N. We also received Rs. 1 Lac from Angira Hansraj Gupta Charitable Trust, Rs. 51000/- from Dr. Om Prakash Mittal and Mithilesh Kumari Charitable Trust, Rs. 50000/- from Sri Rajnish Chopra, Rs. 24,000/- from Smt. Indra R. Jerath, Rs. 15000/- from Sri Vishnu Sahay and Rs. 12000/- each from Sri Sanjib Kumar Barua & Smt. Anjal Multani. I convey my gratitude to all of them for supporting us .

This year unfortunately we lost some very special people. Leaving us with their memories, Sri A.K. Puri former Vice President and Financial Advisor of the Samiti and Smt. Mohini Manglik former Executive Committee Member. left for their heavenly abodes.

Joseph Campbell rightly said- *"we must let go of the life we have planned, so as to accept the one waiting for us"*. As we embark on this new phase in our journey our aim will be to build a stronger organisation culture during this time of change that is inclusive, transparent and empowering. We believe that our values will form the foundation for us to work towards the ambitious goals we have in front of us, enjoy the process, learn from our mistakes, take pride in our achievements and innovate for the future. The present times of Covid-19 are tough but I am sure that like always I will have the unflinching support of the members of the Executive Committee. I am thankful to all of them in their support and guidance in the past years. I thank the Founder's Representative and the President, Nari Sewa Samiti for their faith in my abilities and their support. My sincere thanks to the staff of all units as they are the backbone of the Samiti and their incredible work and spirit never fails to lift me up. May we all be proud of our work, the person we are and the difference we make!
