NARI SEWA SAMITI, U.P.  
ANNUAL REPORT  
(For the year 2020-21)

Friends,

It is an enduring tradition to take time to pause, turn around to look at the year gone by, which has been vastly different for the Samiti along with the country. By the time we reached 1st April 2020 we were already in a lockdown, though at that stage- thankfully I feel- we did not know the horrendous dimensions of the corona virus pandemic that lay ahead. We had to rethink almost every aspect of our lives and our work. The road was not easy and unexplored in our line of work where we flourished and thrived in human interactions so far.

A great saying goes “Real Education fetches you more than a job. It teaches you to live. It cannot be measured in any tangible way”. The past pandemic year was a mix of virtual and physical in accordance with the intensity of infection waves. Across the globe, Internet has provided power in the hands of people at the bottom of the pyramid, on the one hand, and at the same time, has been instrumental in making the upper parts of this pyramid aware of vital social issues. Together, these two are making a certain positive change in the society driven by civil society itself and we at the samiti utilized the power of the internet for both ends of the pyramid. The new academic session saw its opening in the virtual mode for the academic year in all educational units of the samiti, gradually moving to conventional modes in accordance with govt. pandemic guidelines.

Nari Shiksha Niketan P.G College, an Associate College of the University of Lucknow had an enrolment of total 957 students in U.G and P.G courses for the session 2020-21. Dr Sunita Kumar took charge as officiating Principal on 24.10.2020 after Dr. Vandana Upreti resigned from the post. Virtual conferences and seminars were organized by various departments and the faculty published research papers in reputed journals. Online workshops and lecture series on career opportunities were organized for the students throughout the year.

In Nari Shiksha Niketan Intermediate College 788 students were enrolled in classes 6<sup>th</sup> to 12<sup>th</sup>. Km. Baljeet Kaur secured 6<sup>th</sup> position in Lucknow in the Intermediate examinations with 435/500 and Km. Khushi Sharma secured 504/600 in high school examination.

Mona Chandravati Bal Shiksha Niketan, caters to under privileged sections of society and so due to financial problems of guardians a decision was taken that students be given concessions & financial assistance to keep their education uninterrupted. Monthly, Half yearly & Final examinations were held online as per schedule.

Mona Convent School has been accorded permanent affiliation by Basic Shiksha vibhag this year. The students up to class 8<sup>th</sup> were promoted to new classes on Govt guidelines and the teaching

was done by posting the pre-recorded sessions, videos, audio etc. as many students were not equipped with efficient internet streaming.

Nari Kala Mandir Training Centre enrolled 42 women. In project Unnati which is a skill development programme sponsored by Bajaj , 16 batches of 1596 students in demand driven trades have been trained so far. This year In Project Unnati 'Basic Care at Home' course was discontinued.

The Samiti runs 03 Family Counselling Centers. These Centers are located at Mahila Sahayta Prokosta CBCID office Lucknow, Nari Bandi Niketan, Adarsh Karagar, Lucknow and Samiti premises and are funded by Central Social Welfare Board. The FCC in Nari Bandi Niketan works for the welfare of victims through counselling, medical camps and legal assistance. This year counselling was provided in 3406 cases and helped release 54 convicts. The FCC located at the Samiti Premises in Kaisarbagh area deals and solves the problems between disputed couples through counseling. This year 483 people contacted the center. The FCC located at CB CID, Mahila Sahayta Prakostha registered 96 cases and 124 people were benefitted by the Centre.

The Natya Kala Kendra is a premier auditorium having a seating capacity of 1500 people. It is made available to various organizations and private parties to hold cultural, social and educational functions.

The Registration of the Samiti under Society Registration Act. has been renewed for a period of 5 years. The DIOS II Lucknow also attested the signatures of Manager NSN Inter College. In Nari Shikha Niketan Post- Graduate College, two wi-fi systems were installed in the campus, online admission and online counselling software were purchased and bulk SMS facility was provided. A new submersible pump was installed. Other purchases include- an amplifier system, drinking water cooler, chairs and tables, book racks and book shelves, table tennis kit, green and white boards. Multi-chairs have been purchased for students waiting area. Washrooms for students were repaired and painted. A shade over the water cooler and channel gate and Net frames were also constructed.

Corrie Ten Boom rightly said- "The measure of a life, after all, is not its duration, but its donation" and we at samiti are grateful to Angira Hansraj Gupta Charitable trust for donating Rs.1,00,000.

Unfortunately this year we all faced personal and professional losses so I quote Thomas Campbell-"To live in hearts we leave behind is not to die." We at samiti lost two prominent members Smt. Latika Mishra and Smt. Mamta Varma who served the Samiti and its units in various capacities. We at samiti are grateful to them for their invaluable services.

I am humbled on completing 25 years as General Secretary of the Samiti and achieving both the expected and the unexpected in this journey for the Samiti, while setting various milestones as our future roadmap. In my long association with the Samiti I had the privilege of working with and having the blessings and guidance from respected Mahesh Chandra ji, Prem Swaroop ji, Hari Krishna Ji, Smt. Indira R. Jerath Ji and Smt. Suniti N. Kumar Ji. who not only reposed trust in my

abilities but also guided me at every step of this journey. I also express my gratitude to President, Smt. Padmini Krishna, founders representative Smt. Piya Krishna and the members of the Executive Committee of the Samiti for their co-operation and support. I extend my thanks to the staff of all units and together we are synergizing ourselves to move ahead to face the challenges in the coming year, with a positive attitude. Believing in what Elon Musk says- "I think it is possible for ordinary people to choose to be extraordinary", I look forward to the challenging times with the team of samiti and I can't resist quoting Tennyson's Ulysses- "I cannot rest from travel: I will drink Life to the lees; ...One equal temper of heroic hearts...strong in will...To strive, to seek, to find, and not to yield."

(Dr. Anil Kumar Agarwal)
